

Yorkroad STREETSCAPE PROJECT

Jenkintown Borough, Montgomery County

Description:

One of the constant themes in Jenkintown Borough's Revitalization Plan is to rejuvenate York Rd.

In keeping with the plan, the Borough is beginning a Streetscape Project along York Rd. The project will start north of Summit Ave. and go north to Cherry on the west and Homestead on the east.

A curb bump-out will be constructed on the northeast corner of York Road and Greenwood Avenue to expand the sidewalk, reduce the pedestrian crossing distance of Greenwood Avenue and reduce vehicle speeds of traffic turning into Greenwood Avenue. New curb ramps will be constructed satisfying PennDOT new standards.

The main goals of the project are to further emphasize the important downtown retail area of the Borough, to 'calm' traffic on York Road, and to enhance the accommodations of pedestrians.

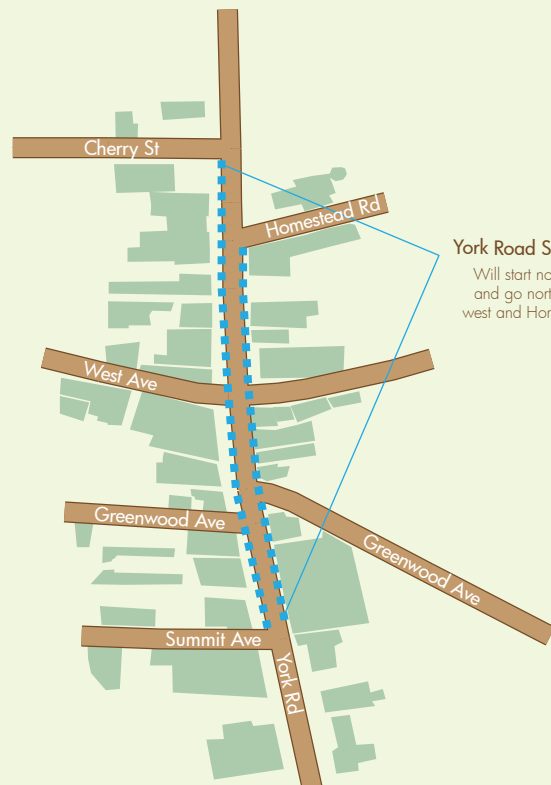

The project will include:

- Replacement of sidewalks and curbs
- Trees
- Benches
- Recycling / Trash Receptacles
- Bicycle Racks
- Decorative Streetlights
